| Pos | Item Number | Description | Qty | Unit | Unit Price(PHP) | Discount | Amount(PHP) |
|-----|-------------|--|-----|------|-----------------|----------|-------------|
| 1 | 30237200 | Halogen Moisture Analyzer HE73 (230V) | 1 | each | 137,685.00 | 20.00% | 110,148.00 |

Min. Recommended Moisture Range (%MC): 1
Drying Programs: Standard;Rapid
Repeatability (sd) with 10 g Sample: 0.05 %
Readability MC: 0.01 %
Repeatability (sd) with 2 g Sample: 0.15 %
Method Storage (max.): 2

Great for Simple Moisture Analysis

Reliable Moisture Results

A straightforward instrument with all the basic functions you need for fast and efficient moisture measurements.

Simple Operation with Method Buttons

With two method shortcut buttons the instrument is easy to use even by untrained operators. The free switch-off criterion offers extra flexibility.

Affordable Quality

With its simple high quality construction and rugged design, this instrument is suitable for both laboratory and production environments.
