One (1) Set - Triplex Pump Controller 10Hp, 460V consisting of Three(3) Variable Frequency Drive "Delta" for lead and lag pumps, individual circuit breaker, "EBARA" programmable logic controller, pressure transmitter, digital panel meter, HOA selector switch, indicating lights, audio/ visual alarm, wired in NEMA 12 enclosure.

### Total Net Price FOB Manila

P 312,000.00

4/29/24

- NOTES:
1. Ebara will provide free supervision and technical support during installation within Metro Manila. For units installed outside Metro Manila, minimal charges for transportation, meals and accommodation expenses of service/technical crew will be billed to client's account.
  2. Prices quoted are inclusive of Value-added Tax.
  3. We reserve the right to make necessary changes on brand or type of components to be supplied as long as it will not downgrade the specifications, quality or performance of the system.

TERMS : Fifty percent (50%) down-payment, balance upon delivery;

CANCELLATION OF ORDER: Cancellation charges of thirty percent (30%) to seventy percent (70%) of order value, depending on the merit of each case and the time of notification will be levied on any cancellation of order made by buyer.

DELIVERY : Within 2-3 weeks after receipt of Purchase Order and down-payment.

VALIDITY : Thirty (30) days from date of this proposal.

WARRANTY : One (1) year from date of delivery from factory defect and faulty workmanship.

Thank you for giving us the opportunity to submit our proposal. Hoping you will favourably consider our proposal and we shall await your valued order with much interest.

Very truly yours,

Rochen Caluya
